II. STATEMENT OF UNDERSTANDING

I understand:

My eligibility is based on my marital and dependency status and failure to claim all my dependents may result in my involuntary separation from the Air Force. I have read and understand the following definitions the Air Force considers a dependent for accession purposes. 1. A spouse. 2. Any person under the age of 18 for whom the applicant or spouse has legal or physical custody, control, care, maintenance, or support. Includes children from a previous marriage, a relative by blood or marriage and stepchildren or adopted children of the applicant or spouse. 3. Any unmarried natural children of the applicant or spouse regardless of current residence. For male applicants, the term natural child includes those born out of wedlock. 4. Any person who is dependent upon the applicant or spouse for their care, maintenance, or support regardless of age. (5) FOR MALE APPLICANTS ONLY. An unborn child of the spouse or one claimed by or a court order determines is his. ()

It is my responsibility to provide legal documents (marriage certificate, birth certificate, etc.) to substantiate my dependent(s) and it is my responsibility to support myself and my dependent(s) on the pay and allowances I receive. I also understand arrangements for care of my dependent(s) is my personal responsibility and will not interfere with my assigned Air Force duties, including shift work, weekend duty, temporary duty away from my assigned duty station and short notice deployments and evacuations. I further understand my dependent(s) will not prevent me from being available for worldwide assignment and failure to perform my military dependent(s) may result in disciplinary action, to include involuntary discharge. ()

If applying for an enlisted program, my dependent(s) are not permitted to accompany me during basic training, and it is recommended they not accompany me during any technical training. If applying for an officer program, it is strongly recommended my dependent(s) not accompany me while attending training. I also understand government family quarters are assigned based on application date, grade, date of grade, number of dependents, and availability. ()

Military couples with dependent(s) are required to make dependent care arrangements that allow both members to meet all military obligations and duties. I also understand each member is considered to be serving in his or her own right and must be available for worldwide assignment regardless of marital or dependent status. Additionally, I understand married Air Force couples may apply for a join spouse assignment, but there is no guarantee they will be assigned together. ()

III. REMARKS**IV. APPLICANT CERTIFICATION**

I have read the information on this form and understand how it applies to me and my dependent(s). I also understand the needs of the Air Force come first and I may be involuntarily discharged should I violate any of these provisions. I certify the information on this form is of my personal knowledge and is true and correct and my recruiter did not advise me to conceal any dependency information.

AIR FORCE DEPENDENCY POLICY STATEMENT OF UNDERSTANDING

Air Force Dependency Policy Statement of Understanding.

I, _____, have been briefed on the Air Force policies concerning family care responsibility and family care responsibility as an AFROTC retention standard. (A family member is any person over whom I have legal or physical custody or control, or who relies primarily upon me for their care, maintenance, or support regardless of age). In particular, I understand the following:

a. **(Non-contract Cadet)** If I am/become unmarried or marry (to include a common-law spouse) a military member (including another AFROTC cadet), and become responsible for any family member incapable of self-care I must acquire and maintain an approved Family Care Plan IAW AFI 36-2908, *Family Care Plans*, that will adequately cover my time in AFROTC. If I am unable or unwilling to create or maintain such a family care plan, I will no longer meet AFROTC retention standards. In such a case, I would then be subject to disenrollment from AFROTC for failure to maintain military retention standards. If I am disenrolled, I will also be subject to recoupment of my scholarship benefits.

b. **(Contract Cadet)** If I am disenrolled from AFROTC after becoming a contract cadet I am subject to call to EAD in my enlisted grade, recoupment of scholarship benefits or release. If I have more than two (three with an approved waiver) dependents incapable of self-care I do not meet enlisted accession standards and cannot be subject to EAD in my enlisted grade. I can only be subject to recoupment or release.
